LOCUST AND WILD HONEY SNACK

You will need:

2 celery stalks

Handful of mini pretzels

Nut Butter of your choice

Drizzle of honey

4 large marshmallows

Handful of mini chocolate chips

Clean and cut celery stalks. Cut marshmallows in half

Spread nut butter on celery, and stick marshmallow head to the body.

Break pretzels for antennae and stick into marshmallow. Add chocolate chip eyes.

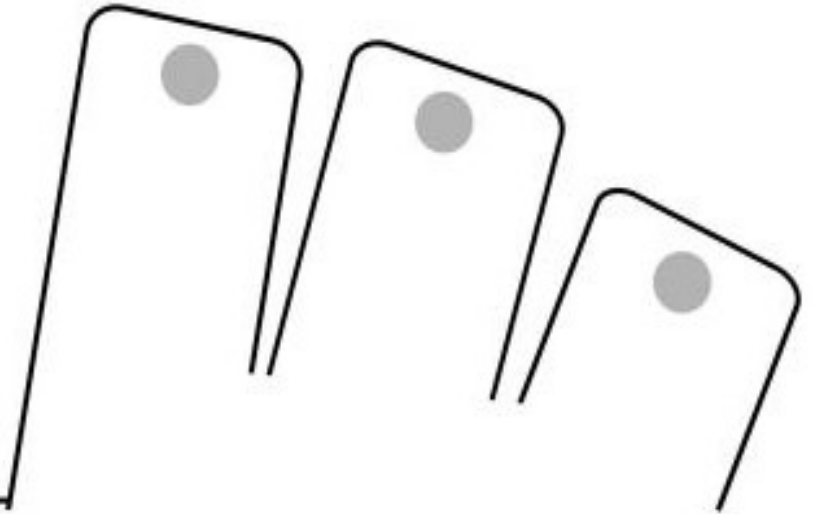

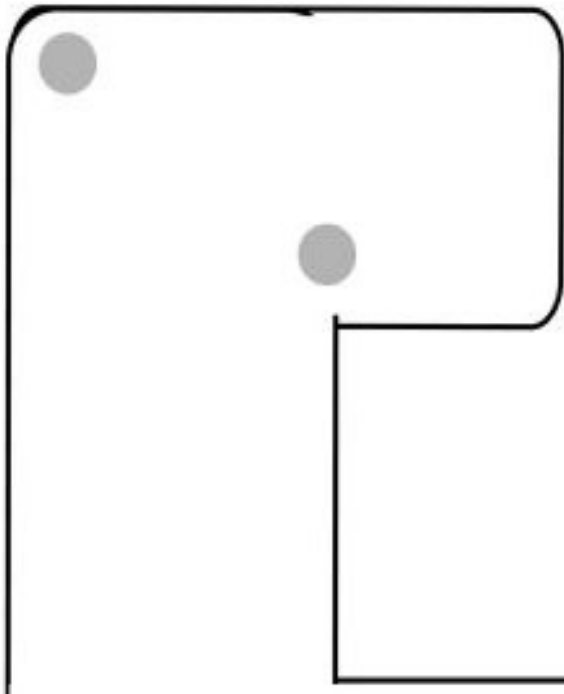

Drizzle honey over nut butter on body and sprinkle with more chips.

Make a clothespin locust! You will need a clothespin, some pipe cleaners, googly eyes, some tape, and glue.

Follow the diagrams above to make your locust, just like the ones John the Baptist used to eat!!

Print out two copies and use a hole punch to punch out the holes in the sandal straps. Then fold the straps and heel up. Place yarn or string through the holes to make laces for your sandals. Step in and lace up!

Jesus > I am

John said, "After me comes the one more powerful than I, the straps of whose sandals I am not worthy to stoop down and untie." Mark 1:7
