Lutheran  
Church  
of the Cross  
2021

March 

When I was a young boy, I remember riding in the car with my mom, windows down and radio tuned into KS95, then the 60's, 70's and 80's music station. Every once and a while The Byrds song "Turn, Turn, Turn" would come on and Mom and I would sing along as it played on the radio. I liked the song and the lyrics, but it wasn't until I got older that I realized that 95 percent of that song comes straight out of the Old Testament - from Ecclesiastes 3:1-8:

*To everything there is a season, and a time to every purpose under the heaven:  
A time to be born, and a time to die; a time to plant, a time to reap that which is planted;  
A time to kill, and a time to heal; a time to break down, and a time to build up;  
A time to weep, and a time to laugh; a time to mourn, and a time to dance;  
A time to cast away stones, and a time to gather stones together;  
A time to embrace, and a time to refrain from embracing;  
A time to gain that which is to get, and a time to lose; a time to keep, and a time to cast away;  
A time to rend, and a time to sew; a time to keep silence, and a time to speak;  
A time of love, and a time of hate; a time of war, and a time of peace.*

The Biblical text suggests there is a time and place for all things: birth and death, laughter and sorrow, healing and killing, war and peace, and so on. Over the years, the lyrics have been open to a myriad of interpretations, but when Bob Seeger wrote this song in the 50's, the intent was that they be a plea for world peace, which you will notice in the closing line: *a time for peace, I swear it's not too late*. Interestingly enough, this line and the title phrase *Turn! Turn! Turn!* are the only parts of the song that were written by Seeger himself.

We are coming up on the one year anniversary of COVID-19 and the impact it has had on our lives and our world. What began with shutting down businesses, schools, and isolating ourselves from one another in an effort to curb the spread of the virus has become a way of life for now. And just as when Bob Seeger penned his plea for world peace and the world kept moving on, we keep moving on today - we adapt and we comfort and support each other as we walk through the COVID-19 pandemic together.

One year later, and the world has kept turning. We have become resilient, we have grown stronger, we have learned what is important in our lives, and have changed our focus. As the writer in Ecclesiastes tells us, life is full of ups and downs, but in midst of it all - *God is there*. God is with us now; He has not left us or abandoned us. All we have to do is look at the Cross and see the love that God has for us. And as you journey through Lent, may your focus be on the cross and God's love for you.

Blessings,  
Pastor Drew

**When birds are sold, two small birds cost only a penny. But not even one of those little birds can die without your Father knowing it. <sup>30</sup> God even knows how many hairs are on your head. Matthew 10:29-30**

### Can you guess how many jelly beans are in this jar?

Wouldn't it be amazing if someone could take one look at this jar and tell you exactly how many jelly beans are in the jar? That would be pretty amazing, but let me tell you something more amazing than that! The Bible tells us that God knows exactly how many hairs are on your head. Look around the room, some of us have a lot of hair and some don't have very much. It doesn't matter how much or how little hair you have, God knows how many hairs are on each person's head!

The Bible also says that God knows exactly how many birds are in the air and if one of them dies and falls to the ground, God knows it! If God cares when a little sparrow falls to the ground, can you imagine how much he cares for you? Well, I'll tell you how much God cares for you -- He cares for you so much that He sent His only Son, Jesus, to die on the cross so that you could have everlasting life. Now, that's amazing love!

*Dear Father, we are thankful that we have a God who knows everything about us and loves us so much that He sent His Son to die for us. In Jesus' name we pray. Amen.*

## FROM ZACH'S DESK:

One year.

On the 15th of this month. It will have been one year, at least the way I mark it.

Normally when there is something of this nature, we define what it is the anniversary of a wedding, a death, a birthday. This year, we all know what it means.

We are one year older.

We are one year stronger.

We are one year more resilient.

We are one year more conscious.

We are one year sadder.

We are one year grieved.

But yet... we are.

Maybe someday, we won't write about Covid in every newsletter. Maybe someday we will be able to look at Covid in the rearview mirror. Maybe? Someday?

We know this isn't over yet. Many of us aren't even on vaccine waitlists. We still have to have patience. We still have to lean into God.

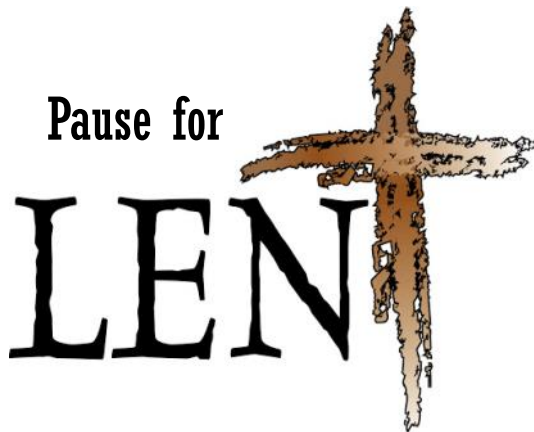

In this Lenten season, I invite you to pause. Stop. Look back at your year. How have you changed? How have you grown? How have you used your God-given skills to make a difference in this world? What is your next step to continue to do so?

Or maybe you just need a break. That's ok too. We know our God rested, and that we can rest too. Take care of yourselves, beloveds. You are whole. You are special.

For our High School Youth in this Lenten season, we will look at our own mental health practices within this pandemic. Some topics will include sleep, movement, creating, asking for help and practicing gratitude. We will learn from each other and take time to just be.

Check in on yourself. You got this.

In Peace,  
Zach

**Escape Room: "The Literal Lock-In" - Mar 14** "Oh no! The Lock-In went astray. We are literally locked in the church and there is no way to escape. Or is there?" Join up with your friends to search the church to solve the mystery and get out of The Literal Lock-In. 7th and 8th grades will work together from 1pm - 2:30pm and High School will collab from 3pm - 4:30pm. Please let Zach know if you are attending.

**Tuesday Afternoon Gaming** - In-Person Edition - Mar 23rd 3pm. Join us in person to play some video games! All are welcome! We will play Mario Kart, Smash Bros, Just Dance and whatever else you think would be fun! As a Covid precaution, please bring your own controller if you have one. Let Zach know if you need to borrow one. It's PL's Spring Break, so that makes it extra rad.

**Lenten Mentors** - Join us each Wednesday of Lent for a conversation with your mentor/mentee. Zach will continue to offer conversation pieces each week for in-person and online pairs. 9th grade should be working on your CCC's with your mentors. Please let Zach know if you have any questions.

**High School Youth Group** - Join us each Wednesday in Lent after worship for our Lenten Bible Study on Mental Well-Being: Back to Basics. We will read about habits that are good for our well-being as well talk about and practice them together. Topics will range from nutrition to asking for help.

**Ski Gull** - We had a blast at Ski Gull together on Feb 21st! Over 20 LCCers hit the slopes and the tubes for the afternoon. Check out this pic of us on top of the tubing hill! Thanks to all who attended to make it such a great day

## March 2021 Hymn of the Month

### The Old Rugged Cross (OLD RUGGED CROSS)

The Old Rugged Cross, definitely a timeless hymn. It is called the most popular hymn in some circles.

An anecdote from “Songs in the Night”, compiled by Henry Gariepy. Colonel Henry Gariepy is National Literary Consultant for The Salvation Army in the United States. Retired now, he has published exclusive interviews with such as Billy Graham and Robert Schuller. He is author of many books as well.

Pollsters report that “The Old Rugged Cross” is the most frequently requested hymn, Songbook editors have designated it as the most popular of all hymns. Within thirty years of its publication in 1913 more than twenty million copies had been sold, outselling every other musical composition to that date.

“The Old Rugged Cross” declares in simple and yet sublime words the central truth of the gospel, and it speaks to the need of every believer.

George Bennard, its composer, made a personal commitment to Christ while attending a Salvation Army revival meeting in Lucas, Iowa. As a young man George entered the ranks of Salvation Army officer-ship. He initially served alone, and then with his wife, for eight years. Resigning his position with the Army, he became an evangelist in the Methodist Church.

A trying experience caused him to reflect seriously on the meaning of the cross and of Paul’s writing of entering into the fellowship of Christ’s suffering. We do not know what Bennard’s trial was, but out of it came his conviction that the cross is not just religious symbol but the very heart of the gospel.

Bennard later recorded, “The words of the hymn were put into my heart in answer to my own need.” Out of Bennard’s night of pain and prayer came the song that has blessed a worldwide fellowship of God’s soldiers of the cross.

In 1958, at the age of eighty-six, George Bennard exchanged his cross for a crown.

1. On a hill far away stood an old rugged cross, the emblem of suffering and shame;  
And I love that old cross where the dearest and best for a world of lost sinners was slain.

#### *Refrain*

So I’ll cherish the old rugged cross, ‘til my trophies at last I lay down;  
I will cling to the old rugged cross, and exchange it some day for a crown.

2. O that old rugged cross, so despised by the world, has a wondrous attraction for me;  
For the dear Lamb of God left His glory above to bear it to dark Calvary.

3. In the old rugged cross, stained with blood so divine, a wondrous beauty I see;  
For 'twas on that old cross Jesus suffered and died to pardon and sanctify me.
4. To the old rugged cross I will ever be true, its shame and reproach gladly bear;  
Then He'll call me some day to my home far away, where His glory forever I'll share.

This hymn reminds us of the promise of salvation that is told us in the gospels. We also call our church the Lutheran Church of the CROSS for that reason. May we know the salvation that comes by faith in Jesus who made the supreme sacrifice for us on that old rugged cross.

God's peace and blessings to you.

Cathy Taylor, Director of Music

### **SINGING IN CHURCH?**

As we move forward during the Covid -19 pandemic, research is showing how we can safely return to singing. According to studies that are being used by our MN Dept. of Health, congregational singing in church can safely happen if we follow some basic protocols:

1. The number of participants must be no more than 1/2 of the capacity of the room, as rated by our Fire Marshall. (Our Celebration Center is rated for 240, so we can have no more than 120 in the room).
2. Well fitting masks, covering the nose and chin, must be worn at all times.
3. 6' distancing between familial groups must be maintained, with participants all facing the same direction.
4. Air circulation in the room needs to be at a minimum of 3 cycles per hour (room air exchanged with fresh every 20 minutes)

Since we are able to accomplish all of the above - we can sing for up to 30 minutes before the room needs to be cleared and the air system given a chance to catch up. An average hymn is 2-3 minutes in length... we can SING about 10 hymns and easily stay below 30 minutes!

Our average service has 3 or 4 hymns, and we have EVERY other listed protocol already in place. Feel free to SING during our services!

We are so glad that the research is showing us how to safely move forward. It is said that to sing is to pray twice - what better time than now to sing?

**“Loneliness, Abandonment and Holy Comfort”  
The March Session of Journeys with Angels  
Wednesday, March 10, 2021 at 10:30 on Zoom**

**The Gather Winter 2021 Study, Journeys With Angels**, by Christa von Zychlin, is taking us on an adventure of noticing and learning from and about God’s heavenly messengers, his angels. If we look and listen for angels, the spirits of God’s heavens, we’ll find out that they have much to teach us! In January we explored various kinds of angels, their place in God’s cosmos and their relationship with humans. In the February session, we looked at angels who confront and accompany people to a change of direction in their lives.

You are cordially invited to join members of LCC for the March session of Gather on Zoom March 10<sup>th</sup> at 10:30 am as we search and discover angels who brought comfort to God’s people in scriptures and remember and realize the comfort angels have given us during difficult times in our lives as well. Encourage someone else to join us also!

Videos done by the author of this study are available at the gather magazine site-  
[www.gathermagazine.org/winter-2021-journeys-with-angels-by-christa-von-zychlin/](http://www.gathermagazine.org/winter-2021-journeys-with-angels-by-christa-von-zychlin/)

**Gather magazines are available at church and online. Contact Carolyn Blanck at 963-7660 if you would like to be sent the Zoom connect information prior to our March meeting.**

# BLUEGRASS WORSHIP

Following the Sunday worship, the annual congregational meeting was held. The 2021 church budget was unanimously approved by the congregation. LCC is truly blessed.

## WRAPPING OUR QUILTS AROUND HUNGER 2021

(A quilt auction for the ELCA World Hunger Appeal)

NEMN Synod quilters,

Below you will find information about the Synod Assembly Quilt auction 2021.

- The quilt auction will be **on-line only** since the Synod Assembly will be on-line as well.
- The quilt auction will be in early May, shortly after our virtual Northeastern Minnesota Synod Assembly is completed. We don't have a firm beginning and ending date for the auction yet but will know and advertise that in the next few weeks.
- We are excited that we will be using the same auction site as last year, provided graciously again by Voyageur's Lutheran Camp Ministries!
- Those of you who donated a quilt last year will be very familiar with how the auction works, but if you are did not...don't worry - it's straight forward and non-threatening. There will be an information sheet with all you need to know mailed out in March/April to each congregation, plus it will be posted on the synod web site. For now, please note **you do not need to send us your quilt, what we will need are pictures and information about your quilt.** Those pictures and that information are what will go up on the auction site. You also will not need a bid card, just an ID card for the winning bidder (you will receive one included in the Synod Assembly packet coming in early March).
- After the auction is over, we will let you know who won your quilt; send you all their contact information and work with you to figure out the best way to get the quilt to them. Winning bidders may be from within the synod and live close enough to come and pick it up, but some will not, since we will be reaching bidders from across the United States now. If you do have to ship your quilt, we will reimburse your expenses. We hope this does not sound too burdensome. The feedback we received after the 2020 auction was that it was not, and it was fun to meet, probably by phone, the person who had the winning bid on your quilt. Last year we had winners from as far away as the state of Washington, Montana, New York, etc.

**FAMILY  
FAITH  
FORMATION**

Appreciation and thanks to our Northeast Minnesota Synod Bishop Amy Odgren her message on Family Faith Formation Night in February.

*Each one of us has one body, and that body has many parts. These parts don't all do the same thing. In the same way, we are many people, but in Christ we are all one body. We are the parts of that body, and each part belongs to all the others. Romans 12:4-5*

# Thursday Morning Prayer

What is wisdom? Proverbs calls it skill, the skill of living in a way that honors God. Proverbs also reminds us that the first step to wisdom is silence; the second is listening. You are invited to join us for Thursday Morning Prayer where we strive to make time for quiet moments as God whispers and the world is loud. We meet every Thursday morning from 9:30-10:30 in the Sanctuary. All are welcome.

If you have questions contact Candi Barnack: 963-6059, or Carol Smith: 829-8142.

## A Message from our ELCA Global Missionary

### *Russian Correspondent*

#### **Word of the Year 2020**

Following the trend of their colleagues in English-speaking countries, the Pushkin State Russian Language Institute recently determined a “word of the year” for 2020. The experts who determined the “winner” were themselves surprised to find that their choice was not “quarantine” or “lock-down” or “pandemic,” but instead found an alternative that better represented the year as a whole - обнуление, or “zeroing out.” The immediate context for the word becoming so popular this year was that it was used to speak of a crucial component of the new Russian constitution; under its rules, President Putin’s former terms in office have been “zeroed out,” and he is eligible to run again for new, 6-year terms in office in 2024 and 2030. At the same time, the experts said, “zeroing out” points to a wider reset, a starting over from scratch in many aspects of the economy and culture in the context of the “new normal.”

2020 made all of us make many resets. My ministry (largely based around traveling to regions of our church that need attention in order to teach, preach, and provide pastoral care) was challenged in many ways. Starting in March in-person events were rescheduled and rescheduled again or (more frequently) postponed indefinitely. Dealing with the unknown and unfamiliar, as you all know, sapped a lot of energy. At the same time, I hope that you saw in your lives and ministries that a forced “zeroing out” has made us more aware both of the essential aspects of our common discipleship to Christ and of new possibilities for living life together (sometimes, apart/together).

Please accept my apologies for not being in touch with you as much as I should have over these past months. There were personal reasons for this (see prayer concerns at the end of the newsletter), but much was related to a sense (or rather, a hope) that we were moving toward the end of “quarantine time” and that I would write to you as we move into the next phase. Despite the growing availability of the vaccine, however, it is clear that we are not there yet. In the meantime, below you can read about a few of our experiences here in the Russian Lutheran Church...which might help you reflect on all that God has done in and through you during this “reset.” May we all move forward with the Spirit’s guidance, being thankful for the ways God has worked through each of us in these unusual and challenging days.

## Celebrate the 40th MN Food Share Campaign!

Mark your calendar for Sunday March 14th and Wednesday, March 17th.

In worship, we will be taking a NOISY OFFERING and collecting funds to provide area individuals and families with meals. In the past, as a church family we have been very generous in our efforts to build a toilet paper tower and

packing the pews with bags of groceries. However, this year, due to the change in conditions for food shelves resulting from the COVID-19 pandemic, we are asking for monetary donations rather than food donations for the 2021 campaign.

Did you know that for every \$5 donation, the food shelf can provide up to 15 meals for an individual? Funds in the hands of Second Harvest Heartland and the Lakes Area Food Shelf have more purchasing power than we have as individuals at a grocery or discount store. Besides that, money can be used to purchase specific items that are needed most.

This year, we'd like to fill a "tree" with leaves—leaves of \$5 bills!! The tree will be up in Celebration Center, with clothespins available for you to clip on your donation. If you'd like to donate by check, don't forget to add Food Shelf Donation to the memo line.

So join us in our efforts to fill our tree with \$5 leaves!

# ASH WEDNESDAY

By the sweat of  
your brow  
you will eat  
your food  
until you return to

you were taken;

and to dust you  
will return.”

### **Attention Community Gardeners:**

Thinking about the joy of gardening is hopefully a warm thought during the recent frigid cold. Soon it will be spring and time to bring new life to our Community Garden. The Creation Care Team would like to know if you plan to retain your current garden plot or if you would like to be a new gardener this summer. Plots will again be \$25 per plot payable by May 1 to the church office. Each gardener is asked to sign an application form and return with payment. For questions, please contact Paula West, [westcom@brainerd.net](mailto:westcom@brainerd.net) or 218-838-5010 or Jan Halligan at 218-568-4480. Think spring. Forms available in the church office.

#### **Pastors' Reports**

Pastor Drew:

By the end of January we moved back into in person worship. We had people in attendance for our worship and our annual meeting. Thank you to Colleen Booth for her help presenting the budget and for our members to help us have a successful financial year. In spite of the pandemic and online worship we were able to pay off our debts and fulfill our benevolence commitment to the synod and local agencies. Thank you for making what could have been a tough year a year of support strength and we tried something new. Once again thank you to the staff and council for all their hard work.

On February 3rd we hosted Bishop Amy Odgren as our quest speaker for our family faith formation. We had a great turn out as we went back to in person Wednesday worship. Bishop Amy talked about being the body of Christ and what that means as the being a part of the larger

church. She spent time after worship to answer questions from those that were gathered.

Lent is on the horizon, and our theme for lent is *Community* and I am grateful for Kari and Zach who will be joining me in preaching this Lenten season. For Ash Wednesday we will be hosting three opportunities for our members to receive the ashes of imposition. From noon to 1pm and 7pm-8pm we will be hosting “Ashes to Go.” There will be a blessing and we will have containers of ashes available for our members to self-impose the ashes. Then at 6:20pm in our Celebration Center we will hold in person worship and our members will receive container of ashes for their own self imposition of ashes. Then starting on February 19th at noon I will be leading a Lenten devotion from the book “A Story to Tell.” It will be held in Chapel Hall and also online.

As we continue to look to the horizon, we as a staff and council need to discuss what is next. My hope is that within the next month that we look towards having a staff and council retreat. We need to start forming a 5 year and 10 year plan. This pandemic will not be here forever but now is the time to start to evaluate and focus on what is needed next for the future here at Lutheran Church of the Cross.

### **Committee Reports:**

#### **Property: Dale Peterson**

- An estimate was received to remodel the sanctuary sound room. This project includes creating a large window opening to the sanctuary, new secure overhead window closure, installing a new door to switch the door swing, new counter, relocating ventilation, adding electric outlets, and other items. Project would be in conjunction with installation of new sound and video equipment.
- A request has been made to install a butterfly garden plot or possibly 2 garden plots in the area between the south edge of the new parking lot and the new bike path. One garden could be installed at no cost, the second garden will require funding. The Creation Care Team is working with Prairie Restorations and Brainerd Soil and Water and would like to obtain permission to move forward with this project. This will be coordinated with the overall LCC Landscape plan for 2021. Repairing/reinstalling the underground irrigation is also part of the landscape project.

**Motion** by Sarah Fogderud to approve Creation Care Team request to explore the installation of two butterfly garden plots in conjunction with the LCC Landscape Plan for 2021 and return to council with a final plan and cost estimates. Second to motion by Mike Smith. Motion Passed.

- Painting the exterior of the church is another planned and approved project for LCC for 2021. I contacted the painting contractor and gave them the go ahead. We are on their schedule, but at this time it looks like this will be a 2022 project.
- Additional future property concerns include security cameras, automatic entry doors, sanctuary flooring, and possible relocation of the church office.

### **Worship and Music: Mike Smith**

- Flowers have been ordered to decorate the altar area in the Celebration Center for Easter. Donations for flowers are being accepted at this time. The suggested donation for each plant is \$15.00.
- Cathy Taylor is preparing small groups of musicians to lead in Wednesday night Lenten services. We will be using Marty Haugen's "That You Might Have Life" as our liturgy.
- To make the Celebration Center seem more like a "worship area," long, cloth banners representing the colors of the church year have been purchased and hung on the east wall on either side of the altar.

### **Social Concerns and Global Missions: Bonnie Stevens**

No Report

### **Children and Family Ministry: Pam Johnson**

- I've been very busy getting the Prime Time Press that will be mailed out by Friday. This is for our older members to be used/read during Lent.
- Attendance at Cross Kids Worship has been down, but we still get kids each week and it's been so fun and rewarding. I'm looking for this ministry to keep growing and want to keep it going. I have received positive comments from parents and as COVID guidelines ease, we will be able to bring the children down for communion with their families, and bring Kevin and Erica in for music.
- I've got a start on the March Sunday School packets and the March Religious Release packets.
- We had a wonderful Service Night last night and wrote notes of encouragement to go into the Prime Time packets. I sent home a Lenten Pretzel project for families along with a Praying in Color activity and Shrove Tuesday Pancake info/suggestion.
- I'm working on a Stations of the Cross outdoor route/scavenger hunt (kinda) for families to do here at church as the weather gets a bit better and we get further into Lent.
- Working on VBX and will incorporate evening family outdoor activities for the week.
- Our camp numbers are down, but I have 10-11 signed up so far, so looking forward to that.
- I'm checking out some books to be used for a tween girls book club - perhaps in the spring or summer.
- I will be sure to keep abreast of what Creation Care is doing with the Butterfly Garden to keep kids and families as involved as possible.
- I'm also working on a Lenten devotion to send out to my Route 56 alums to let them know I still think of them often. Also getting a Lenten packet ready for current Route 56-ers.
- I will be delivering the Lenten message on the first and fifth weeks of Lent, so have started compiling some notes/ideas.

### **Youth and Family Ministry: Kristin Lindholm**

- In January we had Camp Wednesday and Camp Sunday. It was a wonderful two services led by our awesome band with Camp Music and even Camp Staff. Dave Holtz visited from Luther Crest Bible Camp to continue to strengthen our relationship with them, he even preached on Wednesday night for us. There were many comments that this service was life-giving to the congregation.
- Also in January, we continued our Old Testament adventures in Confirmation. We wrapped up the 10 Commandments and learned about Ruth and David as well.
- On January 24th, we had a Bob Ross Paint Party via Zoom. A handful of people attended and we all were able to paint something we were proud of. The following Sunday, we had a BINGO night via Zoom and had about 30 people online playing BINGO in community. Our ages ranged 2 - 70. Another great night of ministry.
- Worship started back in person on Jan 31, and Feb 3 for Wednesdays. Bishop Amy Odgren joined us for Family Faith Formation, talking about the Body of Christ.
- On the weekend of February 5, Zach and Kristin Lindholm attended the ELCA Youth Ministry Network Extravaganza. We worshipped and learned together. We are looking forward to building a Peer Ministry program here at LCC.
- On Feb 10, we had a Service Project night with a letter writing campaign. The youth wrote over 50 letters to our young adults and homebound members. An exciting note: we had 25 people in our youth group circle on Feb 10! Thank you to our adult leaders, Sara Crabb-Erickson, Sarah Baker, and Rachel Sullivan for hanging out with us.
- We are looking forward to the Lenten Season with the revival of our Lenten Mentor program. **Our 9th** graders will be working on their revamped Confirmation Credo Capstone, or CCC, with their mentors, which will give them an opportunity to create a project that really reflects them and their faith. Our 7th and 8th graders will meet weekly with their mentors to do some get to know yous and reflecting on the Lenten Message.
