Talents Talents Talents

Jesus said that the Kingdom of Heaven was like a great master who called his most trusted servants to him before he went on a journey. He told them that he'd be away for sometime and that he would be leaving his finances in their capable hands. He divided up his wealth and gave to each of them a different amount - depending on their skills and abilities.

To one servant he gave 5 talents worth of wealth. To the second he gave 2 talents and to the third he gave a single talent.

Each of the servants were charged with the responsibility to care for the wealth to the best of their ability. Two of the servants traded with their talents and were able to double the original amount by the time the master returned. The other servant took his talent and buried it in the ground. The master returned those that had doubled their talents pleased him and he rewarded them. The one that had done nothing with the talent had his taken from him and given to the one that had been given the 5 talents.
